

AUGUST 30, 2008
3 to 5 PM
COVENTRY EQUESTRIAN CENTER
452 Old Hickory Ridge Road
Washington, PA 15301

EVERYTHING YOU EVER WANTED TO KNOW FROM YOUR EQUINE VET, BUT WERE AFRAID TO ASK...

ASK AWAY! Suggested topics might include (but are not limited to):

- How do you know when to call the vet?
- Is my horse just sore or truly lame?
- Anything you ever wanted to know, but were afraid to ask, will be answered by two top-notch equine veterinarians with over 30 years of combined experience in veterinary medicine and lameness issues:

Dr. James Ford, DVM
and
Dr. Jon Stanek, DVM

Dr. Jon studied about lameness issues under Dr. Genovese.

The doctors will also discuss new technology for diagnosing lameness such as their new digital ultrasound machine, their digital x-ray machine and their infrared thermography machine.

All proceeds to benefit In Stride with Life, a local non-profit organization which supports the local Special Olympics Equestrian Team.

We ask that all participants pre-register for this event.

_____ Yes, please sign me up for the Equine Vet Clinic on August 30. Enclosed is my check for \$20 made payable to In Stride with Life.

_____ Yes, please sign me and a friend up for the Equine Vet Clinic. Enclosed is my check for \$35 made payable to In Stride with Life.

Please mail your check to Coventry Equestrian Center, 452 Old Hickory Ridge Road, Washington, PA 15301
